THE 2020 ATLANTIC HURRICANE SEASON

The 2020 Atlantic hurricane season typically starts June 1 and ends November 30. However the 2020 season is off to an active pre-season start with Tropical Storms Arthur and Bertha on May 16 and May 27, respectively. This season will be the sixth consecutive year with pre-season and early systems. NOAA predicts the Atlantic Hurricane season may be 'extremely active'.

NOAA forecasters are calling for 13 to 19 named storms with winds of 39 mph or higher; of those, 6 to 10 could become hurricanes. Among those hurricanes, 3 to 6 will be major and classified as Category 3, 4, and 5 with winds of 111 mph or higher.

The worst mistake a person can make in preparing for the hurricane season is to not plan well in advance.

SpaceX & NASA Manned Launch

SpaceX and NASA launched a manned crew from Cape Canaveral on Saturday, May 30, 2020 at 3:22PM. Astronauts Douglas Hurley and Robert Behnken are on a mission to The International Space Station. The flawless lift off was the first US manned flight in almost 9 years. Cameras on the capsule provided amazing views of the liftoff to those watching on television.

This launch is historic and important in many ways. This is the first time in history that NASA astronauts were launched from American soil in a commercially built and operated American crew spacecraft .

This launch is the first ever crewed mission for SpaceX. And it is also the first time that a privately developed space craft has launched humans into Earth’s orbit.

Once again, Surfside Club North provided perfect “safe social distancing” viewing for the launch.

 Monday - Friday
 8:30 AM - 4:00 PM

AROUND AND ABOUT

Our busiest season is almost upon us. Be considerate of other owners and guests when using the common laundry rooms. Set a timer on your smart phone or stove/microwave so that you can move your laundry through the machines in a timely manner. Allow 35 minutes for the washers and 60 minutes for the dryers to complete their cycles. Please move your laundry through the machines in a timely manner for the convenience and use by others.

Also be considerate and follow the rules- Shoes and cover-ups must be worn in the lobby. Pool hours are 8AM-10PM, the pool capacity is 18. When returning from the beach, shower before entering the pool. Food, glass and smoking are not allowed on the pool deck.

Personal items should not be left at the pool when leaving the area. Do not reserve chairs with towels or personal items. Enter the building with dry, sand free shoes and beach items. Water that is dripped on the interior floors creates a safety hazard.

The beautiful crane photo above was taken by Camron Brown, Jenny Pauley's grandson.

Welcome!

Surfside North is pleased to announce that Jesse Johnson has joined our team as the Maintenance Technician.
